Tamarind Resort Nyanga Blends Work, Play, and Paradise

by BERNARD CHIKETO

SITTING just off the ridge on the breathtaking highlands of Juliusdale, Nyanga, from where visitors enjoy enchanting rolling, interlocking mountains, the Tamarind Resort offers a unique escape that masterfully intertwines business and pleasure.

Just as it is an interlocking cluster of apartments, two-story buildings and conference facilities.

This isn't just another holiday destination - it's a meticulously crafted experience designed for the modern traveler who seeks both rejuvenation and productivity.

A Gateway to Serenity and Adventure

Upon arrival, guests are greeted by a lush tropical paradise, a world away from the hustle and bustle of city life. The resort is a haven where one can truly relax, work, and play.

The accommodation options are thoughtfully designed to cater to a wide array of preferences and needs.

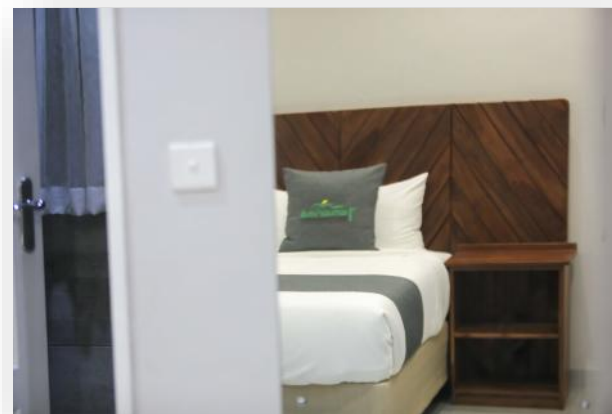

Whether you are a solo traveler seeking a cozy and comfortable room, a family on vacation, or a large group looking for independence, Tamarind has you covered.

The resort boasts a total of 50 rooms. Among these are 32 standard rooms, perfect for couples or individual guests.

For those desiring more space and luxury, especially families or larger parties, there are 18 additional rooms configured within nine two-bedroomed lodges.

These lodges function as spacious self-catering apartments, providing the ultimate flexibility and home-away-from-home comfort.

Where Business Meets Natural Grandeur

For the corporate world, Tamarind Resort Nyanga presents an unparalleled conference destination.

The facility is equipped to host meetings, seminars, and retreats with a serious capacity. The dedicated conference facility can comfortably accommodate 90 people, making it ideal for mid-sized corporate gatherings.

For larger events, the resort offers a remarkable solution: the option of utilizing tents to expand capacity up to 450 people.

This flexibility ensures that whether it's an intimate executive strategy session or a large company-wide conference, every event is set against a backdrop of inspiring natural beauty.

Culinary Delights with a View

After a day of meetings or exploring the Nyanga highlands, guests can retreat to the resort's spacious restaurant.

Here, culinary experiences are elevated by stunning, panoramic views of the surrounding mountains.

The rolling, interlocking peaks provide a constantly changing tableau that complements the dining experience, making every meal memorable.

A Vision of Hospitality

As Takudzwa Mukwama, the General Manager, underscores, the resort is designed to be the ultimate holiday and conference destination. Her leadership points to a vision of hospitality that is both comprehensive and detail-oriented, ensuring that every aspect of a guest's stay—from the comfort of the rooms to the functionality of the conference space—is executed flawlessly.

The Ultimate Destination

Tamarind Resort Nyanga is more than just a place to stay; it is a destination that offers a complete experience.

It successfully breaks down the traditional barriers between work and leisure, proving that one can host a productive, large-scale conference without sacrificing a moment of relaxation and adventure.

For those looking to escape to a tropical paradise where every need is anticipated and the views are endlessly captivating, Tamarind Resort in Nyanga awaits.

Welcome to Tamarind Resort Nyanga—where the mountains embrace you, the luxury defines you, and the possibilities inspire you.
